PRACTICE-BASED COACHING TRAINING (PBC)

November 8-10, 2021 via Zoom

Practice-Based Coaching is a cyclical process for supporting education staffs' use of effective teaching and home visiting practices that lead to positive learning outcomes for children.

PBC is:

- Focused on effective teaching and home visiting practices
- Based on collaborative partnerships
- Guided by goals and a plan for refinement and action
- Assessed through focused observation
- Supportive of coachee growth and development through reflection and feedback

Training Objectives:

- Identify key components of Practice-Based Coaching
- Discuss how PBC aligns with the Head Start Program Performance Standards
- Describe characteristics of collaborative partnerships
- Practice creating goals and action plans
- Learn how to conduct focused observations based on action plans
- Prepare prompts for reflection and feedback
- Plan for next steps after the PBCTI

To learn more about PBC, please view this video: <https://eclkc.ohs.acf.hhs.gov/professional-development/article/practice-based-coaching-pbc>.

This virtual training event is open to any programs located within Region VII (Missouri, Kansas, Iowa, or Nebraska) and the fee is \$80 per participant. Registration materials will be sent one week prior to the event to each participant at the email address provided. Refunds are not available, but programs may change who is participating if a request is made prior to November 1.

Please complete the registration form and return to the MO Head Start Association at Tina@MOHeadStart.org by October 25. This virtual event is limited to 30 registrants. A waitlist will be kept for any future learning events regarding PBC. Please don't delay and register right away!
