

REGION VII HEAD START **UPCOMING TRAINING**

The Region VII Management Acceleration Program (MAP) is an expansive training program that provides Head Start/Early Head Start Directors & Managers a solid foundation of Head Start principles and management practices. Participants begin a professional development journey that takes them through a continuum of learning in key Head Start systems.

Designed specifically for Head Start staff new to their current position two years or less, the **Management Acceleration Program** is the Region 7 road map to a better understanding and navigation of the Head Start Program.
