

Region VII Head Start Association
mourns the loss of a true friend
and colleague, *Rhodanne Schiller*,
who passed away on July 2nd.

Rhodanne Schiller was a generous, dedicated, and skilled teacher/instructor, who spent many years teaching children. She devoted decades of her life to improving early childhood education, as a respected consultant with the Region VII Head Start Training and Technical Assistance Team. Rhodanne was recognized numerous times for the work she did, both during her career and after her retirement at age 71.

Our hearts are with her family during this time of deep loss, and we join them in honoring a life marked by compassion, warmth, wisdom, and an unwavering commitment to helping children, families, colleagues, and friends flourish.

May those who loved her find comfort in the beautiful legacy Rhodanne leaves behind and in the many lives she touched.

“A life that touches others goes on forever.”
